

Nana-Ma Giving Program provides SunUte memberships to students, families, and individuals in our community that would otherwise not have the opportunity to take advantage of the what we have to offer.

*How does the program work you may ask?*

New and renewing members are given the option to round up their membership donating the extra to the program. However, anyone at any time, can make a payment directly to the program. Call or visit our front desk for more information on how to donate.

*Who do the memberships go to?*

All interested individuals are required to fill out an application and summary detailing their needs. SunUte management will make the final decision based upon available funds and applicant assessments.
