**1. Assumption of risk.** There are inherent dangers associated with the use of the equipment and facilities and participation in the activities and programs available at the Community Center. The risk of personal injury or death from the use of the equipment or facilities or participation in the activities or programs available at the Community Center is significant and includes injuries or death caused by, among other things:

- slipping and falling on wet surfaces,
- overheating or exhaustion due to prolonged use of the sauna or spa or prolonged physical activity in hot weather,
- using the diving board,
- dropping weights,
- falling off cardiovascular equipment while in motion, and
- slipping and falling while participating in recreational activities such as basketball

Potential injuries include but are not limited to:

- heatstroke,
- paralysis,
- concussion,
- cardiovascular attacks,
- body sprains, breaks, or tears, and
- known and unknown physical or medical conditions being made worse by high levels of activity. I knowingly assume all

risks of injury, whether identified above or not, and death that may result from my voluntary choice to use the equipment or facilities or participate in the activities or programs available at the Community Center and I assume full responsibility for my participation.

**A. Compliance with rules.** I agree to comply with the stated and customary terms, rules, and conditions for use of the equipment or facilities or participation in the activities or programs available at the Community Center. If, however, I observe any unusual or significant hazard during my presence or participation, I will remove myself from participation and bring the hazard to the attention of the nearest employee immediately.

**2. Waiver and release of liability.** For myself and my heirs, I hereby waive and release the Southern Ute Indian Tribe d/b/a SunUte Community Center, its Tribal Council members, appointed officials, employees, and agents (collectively "released parties") from all claims, liabilities, causes of action, and damages that in any way arise out of, are connected with, or result from my use of the equipment or facilities or participation in the programs or activities available at the Community Center including but not limited to use of the swimming pool, fitness equipment, and gymnasium. **A. Agreement to pay costs and attorney fees.** For myself and my heirs, I agree that if I make any claim or bring any suit against the released parties that in any way arises out of my use of the equipment or facilities or participation in the activities or programs available at the Community Center, and such claim or suit is determined by a court of competent jurisdiction to have arisen out of the dangers inherent in my use of the equipment or facilities or participation in the activities or programs available at the Community Center rather than out of the negligence or other wrongful action of the released parties, I will pay the costs and attorney fees incurred by the released parties in the defense of such claim or suit, the enforcement of this agreement, and the collection of such costs and attorney fees.
